

Remarks

Applicants note an inconsistency in the title of this application in the records of the USPTO. PAIR indicates that the title of this application is a "PROCESS FOR MAKING A SPLICE FOR A STABILIZED ABSORBENT". However, the Notice of Allowance and Fee(s) Due provide that the title of this application is "PERSONAL CARE ABSORBENT ARTICLE HAVING SPLICED ABSORBENT MATERIAL". The later title is more reflective of the subject matter claimed in this application. Accordingly, applicants prefer that the title of this application is "PERSONAL CARE ABSORBENT ARTICLE HAVING SPLICED ABSORBENT MATERIAL".

Inasmuch as the above amendments are of an editorial nature, designed to improve the form of the application, entry under the provisions of Rule 1.312 is requested.

Respectfully submitted,

/Richard L. Bridge/
